Case No. 15-cv-01902-JD (SK)

**REQUEST FOR SUPPLEMENTAL
INFORMATION ON ISSUE OF
DAMAGES**

Regarding Docket No. 38

12
13 Plaintiff San Mateo County Harbor District brings a motion seeking entry of default
14 judgment and an order awarding damages against Defendant Vessel M/V Spirit of Sacramento
15 (“Defendant Vessel”). (Dkt. No. 38.) The damages that Plaintiff seeks are the alleged result of
16 Defendant Vessel’s failure to pay for the rental of its berth, as well as *custodial legis* expenses.
17 The unopposed motion was referred to the undersigned magistrate judge for a report and
18 recommendation. (Dkt No. 46.)

19 In support of its motion, Plaintiff submitted the Declaration of Scott Grindy, concluding
20 that certain fees and expenses were incurred by San Mateo County Harbor District. However,
21 there is nothing in Mr. Grindy’s declaration that explains how the rental fees and interest or
22 transient rate were calculated and no documentary evidence regarding the electricity provided to
23 the Defendant Vessel. Therefore, the Court directs Plaintiff to submit supplemental information
24 and supporting documentation under oath no later than November 6, 2015.

25 **IT IS SO ORDERED.**
